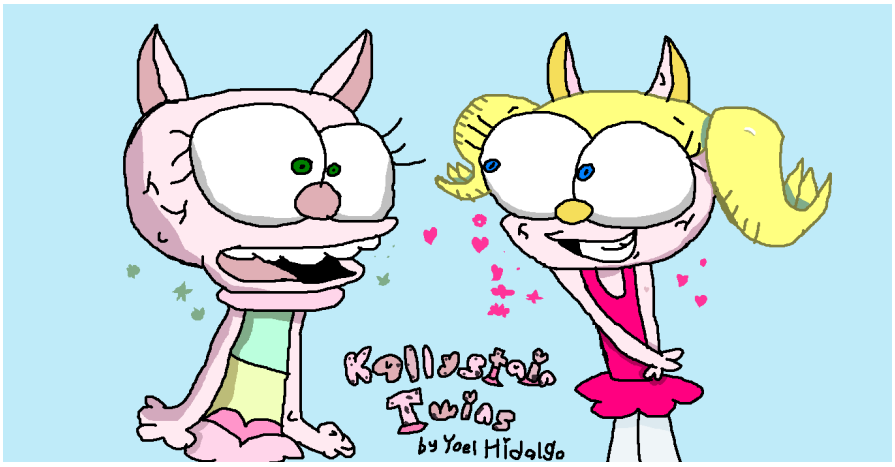
THE Kallysta IN Twins
Yoel Hidalgo

The Kallystain Twins, by Yoel Hidalgo



The Kallystain Twins is about seperated twins that never met eachother until they met for the first time when they're 17 or 18, Sary living with mushroom people like mushroorita, Sanay living with human peoples, like Yoela, Winette and Macette

Sanay is an Adopted Sister of Yoela, she was making no sense about yoela’s describing what sanay said.

Winette Tarykee and Macette Appleler are the friends of Yoela,

Yoela gets annoyed what sanay's shenanigans does to, she lives with her mom what she was growing up,

Sary and the Mushroom Girls, Sary Kallystain lives with 'Mushroom Wilderness' that was growing up with, Mushroorita was a Friend of Sary, The Mushroom Wilderness is just a wilderness filled with mushrooms and fungus, it's very much like mushroom kingdom,

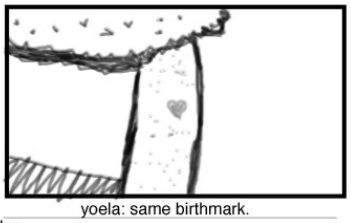
Sary: uhh. hi?

yoela: uhh, who's that girl that looks like you?

Sanay: uhh I don't know maybe she looks-

Yoela: wait wait wait.

yoela: but she looks exactly like you, same skin color, same eyelashes, and most importantly.



yoela: same birthmark.
